

SUMMER DIVING

As in past years, we are going to sell diving by the days in the summer. You can come on Tuesday and Thursday one week, and Monday and Tuesday the next, whatever fits your summer schedule. AND THIS YEAR IS EVEN EASIER. Buy tickets for diving, come to diving, give the ticket to the coach, and dive on that day. It is as easy as that. Wet and Dry are combined as one ticket. You can buy the tickets in multiples of 5, 10 or 15.

The cost for the diving tickets are as follows:

5 tickets - \$75

10 tickets - \$135(10 % discount)

15 tickets - \$180(20 % discount)
